

Pat Gary

Patricia Gary passed away on May 13, 2021. Pat had been living at Oppenheimer Place for over twenty years. She will be greatly missed by her friends.

Pat was born in 1943. She grew up in Pittsburgh, PA and Cleveland, Ohio and moved to Los Alamos in 1978. Pat was quite an artist and had a degree in Fine Arts. Pat had one brother, Tom and two children, Jim and Anne.

Pat was a stay at home mom who enjoyed being part of the Garden Club, golfing, and participating in Girl Scouts with her daughter. She also spent time working on her art. Pat was quite a musician too! She played the ukulele in a local group. She was also a member of Immaculate Heart of May Parish in Los Alamos.

Pat's pride and joy were her two grandchildren. She absolutely adored them!

Please pray for her and her family as they have suffered a great loss.
